

Installation of 6-23 Month Playgrounds

Presented by Butch DeFillippo, PlaySafe, LLC

Designers, installers, playground supervisors, and inspectors will get an overview of the installation process of playgrounds for children who are 6-23 months old. This one-hour webinar covers:

- ASTM F2373
- Children’s milestones
- Special audit equipment requirements
- Age specific requirements on playground equipment such as: corners, handrails, deck heights, and ramps
- And, more!

Butch DeFillippo

Butch has over 40 years of experience in the parks and recreation field. He holds both a B.A. and M.A. degree in Parks and Recreation Administration. He has been the Chair of NRPA’s Certified Playground Safety Inspector Test Committee, the STC Education Committee, and the NPCAI Board of Trustees. He serves as a legal expert witness, an advisor to numerous national organizations and committees, and as a consultant to hundreds of government and private agencies, non-profit organizations and the private sector. Butch is also the author of three books and is quoted frequently in national industry publications.

Yes, I’m interested in purchasing a copy of this webinar! (A link will be emailed after payment.)
